Seine River School Division

June 8, 2021

Seine River School Division is continuing to solidify the leadership positions both within our schools and to support our schools divisionally. Due to the retirement of the Transportation Supervisor and the vacancy of two Assistant Superintendent positions the division is confirming the following leadership appointments:

Transportation Supervisor: Mr. Cliff Fuhr

Cliff has previous experience as an Operations Supervisor with First Student Canada and is currently the Director of Transportation with River East Transcona School Division. While in these roles, he managed all aspects of the operation including logistics, employee management, scheduling, routing and communications. He also worked closely with mechanics to ensure all buses in the fleet were mechanically sound, received preventative maintenance, and had their annual inspections completed on time.

Divisional Principal French Immersion and Middle Years Learning: Mrs. Mireille Bazin-Berryman

Mireille is currently the Principal/French Immersion Consultant at École Lorette Immersion and has previous administrative, resource and classroom teaching experience. She is a passionate educator who believes strongly in an immersion program that develops French language skills and cultural experiences. She is a strong proponent of inclusion and will be a tremendous support of our immersion and middle years programs.

Interim-Principal École Lorette Immersion: Mr. Christian Leclerc

Christian is currently the Vice-Principal of École Lorette Immersion and has a tremendous experience building school community. He has previous experience as a classroom teacher, physical education teacher and as a leader in the Seine River Athletics Association. He believes in instilling a strong second language program where students develop critical thinking skills and supports staff in developing excellent programs.

Principal École St. Adolphe School: Mrs. Shannon Philippe

Shannon is currently the Vice-Principal/Resource Teacher of École St. Adolphe School. She has previous experience as an instructional coach, classroom teacher and Reading Recovery Teacher. She has a strong understanding of early learning and French language acquisition. She believes in developing a strong literacy program where both staff and students develop their critical thinking skills. Her dedication to the local community will benefit the education program for students.

Seine River School Division is pleased to make these announcements and we want to wish all of the new appointments much success and rewards in their new roles for September 2021. We are fortunate to have such strong people working within our system.
