Web site: [www.wrha.mb.ca](http://www.wrha.mb.ca)

Please visit the Manitoba Public Health site for further information on communicable diseases at: [www.gov.mb.ca/health/publichealth](http://www.gov.mb.ca/health/publichealth). Fact sheets and guidelines are available on a multitude of diseases such as:

- Hepatitis C
- STDs
- Meningococcal
- Measles
- Chickenpox/Shingles
- Lice etc.

**Communicable Diseases**

The Communicable Disease Control (CDC) Unit's mission is to promote, support and facilitate the prevention and control of communicable diseases in Manitoba. Please feel free to download the latest Fact Sheets and Guidelines for the general public or health care professionals. Read the latest issue of the CDC Update newsletter.
