

POLICY:

REGULATION: **EI EMPLOYEES PERSONAL POSSESSIONS**

EXHIBIT:

MAST has handled various insurance claims on schools where there have been fires, flood, break-ins, etc. and teachers have lost various personal items.

To simplify an insurance claim, we recommend that teachers keep an inventory of all personal items that they have in the school. Manitoba Schools Insurance program provides coverage for personal belongings of teachers, if not covered by their own homeowners' policies. Further, School Boards' deductibles are quite high. Therefore, we suggest that personal items be kept to a minimum.
