REGULATION: : IKFB GRADUATION EXERCISES
EXHIBIT:

(Safe Grad)

Schools are urged to include the “Safe Grad” program in their Senior 4 graduation activities.

A) Publishing graduation pictures:

Many of the local papers offer to publish the pictures of the graduates at no charge. Schools are encouraged to avail themselves of these offers.

B) Guests at the convocation:

The school’s graduation committee determines the speakers and presenters list for the graduation. A representative of the superintendent’s department should be asked to address the graduates. One of the local trustees should be requested to present the divisional bursaries.

C) Safe Grad:

All safe grad activities should be organized in strict accordance with MAST policy on the events. The location and particulars of any after-grad party must be submitted to MAST for approval. The Division may provide buses to the after-party but it is the parents’ responsibility to pick-up their son or daughter at a pre-arranged time.

D) Diplomas:

All students qualifying for the provincial diplomas are to be allowed to participate in the graduation activities.

E) Divisional Awards:

Refer to budget document.

F) Graduation Date:

The earliest date that graduation can occur is listed in the annual calendar.
