

POLICY: **IA** INSTRUCTIONAL GOALS & LEARNING  
OBJECTIVES  
REGULATION:  
EXHIBIT:

Instructional and Educational Objectives

The Seine River School Division strives:

1. To develop in students, to the best of their abilities, competence in listening, speaking, reading, writing and non-verbal communication;
2. To develop in students, to the best of their abilities, competence in the concepts, computation and application of mathematical principles;
3. To develop skills in critical thinking and deductive reasoning;
4. To encourage the development of originality, imagination and creativity;
5. To promote a code of conduct that respects both universal values as well as individual moral and religious convictions;
6. To cultivate an understanding and appreciation of the arts and sciences;
7. To promote an understanding and appreciation of the multi-cultural aspects of our society;
8. To provide opportunities to develop sound judgement and responsibility in civic and social matters;
9. To promote an understanding of the history of Canada and the role it plays in the world today;
10. To provide the opportunity to acquire life-long habits, attitudes and skills that promote physical health;
11. To provide the opportunity to all students to learn both official languages;
12. To equip our students with the skills needed to adapt to a continually changing.

APPROVED: Effective January 24, 1989
