

POLICY: IICA FIELD TRIPS & EXCURSIONS

REGULATION:

EXHIBIT:

### Field Trips

A field trip is an educational outing that takes an individual student or group of students away from the school premises/grounds.

The Board recognizes the educational value of field trips when these activities are properly planned, executed and sanctioned by the school principal.

Principals and teachers shall be guided by the Division's manual "Beyond the Classroom".

Field trips that take place during vacation time are also subject to this policy.
