AUTHORIZATION FOR THE ADMINISTRATION OF PRESCRIBED MEDICATION

Parent/Guardian Authorization

I have read the attached Regulation, and hereby request and authorize the school to administer the prescribed medication to my child in accordance with the Regulation, including that:

a) Medications presented to a school not meeting the conditions of this regulation cannot be administered by school division staff. The parent/guardian retains full responsibility for administering the medication.

b) The parent/guardian or designated adult is responsible for the delivery and supply of the medication. If requested, pharmacies will provide two original pharmacy labelled containers.

c) The medication container must have the dispending instructions noted on it and must have the official label of the pharmacy:

• name of the student	• frequency and method of administration
• name of the prescribing physician	• name of the medication
• name of the pharmacy	• date the prescription was filled
• dose	

d) It is the responsibility of the parent/guardian to notify the school in writing of any changes in dosage or time of administration of medication.

e) The designated employee (or alternate) is to administer the pre-scribed medication.

f) **Authorization must be renewed annually with student registration and whenever changes in medication and/or dosage occur.**

I hereby request and authorize the school to administer the prescribed medication to my child. I also certify that the first dosage of the medication was given at home and was well tolerated. School personnel are authorized to contact the physician/pharmacist regarding any questions as to the administration of the medication.
