

Phone-in/Call Back

Parents/guardians are asked to call the school if a student is going to be absent for any reason. It is essential that during school hours we know where each student is. If a child is reported absent and the school has not been contacted, the home and/or work and/or emergency numbers will be contacted. The purpose of the "Call Back" procedure is to ensure the safety of the children.

* Please assist us in our efforts by reporting absences and by updating phone numbers and contacts immediately (work, emergency, etc)
