

February 2020

Dear Parents:

Kids at Play (KAP)

École Ste. Anne Immersion will once again host the Kids at Play (KAP) program for kindergarten students in September 2020. This program will be offered daily. When there are two kindergarten classrooms, then there are two KAP programs. The morning program is from 8:40 – 11:30 and the after program is 12:25 – 3:15. If there is one kindergarten classroom, then there is one KAP program. The KAP program would then be in the afternoon from 12:25 – 3:15. You will find a brochure in your registration package that further explains the KAP program. If you have any questions please feel free to contact your child's school administrator.

Seine River School Division would like to encourage all kindergarten children to participate and hope that your child will enjoy the benefits we know they will receive participating in this new program.

If you are interested in registering your child for this program please fill out the bottom portion of this letter and return to your child's school.

Sincerely,

Elaine Lochhead
Assistant Superintendent
