

March 18, 2020

Dear Seine River School Division families:

We want to thank all of our students, families and staff for their complete dedication, commitment and cooperation as we continue to plan and respond to the emerging conditions associated with the COVID-19 pandemic occurring in our country. Our staff are working extremely hard to prepare educational programming for our students while classes are suspended. We are writing this letter **to request that parents/guardians keep their children home for the remaining two days this week** unless families are unable to secure appropriate child care.

At this time we continue to encourage families to follow Manitoba Health and the Province of Manitoba's social distancing, hand washing, and other recommendations. We will continue to take our lead from Manitoba Health and the Province of Manitoba. Please check our divisional website for regular updates and we will also utilize other digital communication platforms such as Twitter and School Messenger in the coming weeks. More information regarding educational programming will be forthcoming in the coming days.

Sincerely,

Michael Borgfjord
Superintendent
