Arts:

M. Tretiak	Mme. Amita	Mme. Dixon
Art- culture d'ailleurs assignment. Please find assignment in Teams. Students will research an artist from the continents of either Africa or Asia, create a very brief biography and then recreate one of their pieces (or an original piece in that artist's style).	Photography : Final Project, see document, Due June 23, 2020	Final art project. Rubric can be found in teams-files-photography Due June 19th

Sciences Humaines: Please find the document in Files titled : Commerce équitable. Students will read the document and then answer the attached questions.

Sciences: The month of June we will be focusing on a new science unit: The Earth's Crust. The powerpoint handed out this week **is intended to last them 2 weeks (until June 19th)**. There are multiple activities in the powerpoints and I encourage the students **to do at least two**.

Mathématiques:

This final week of learning requires the students to complete their final homework. This is found in Files under mathematics.
